RE: COVID-19 VIRUS

Following the outbreak and continued spread of the Covid-19 virus across the world and the Presidential declaration confirming the Covid-19 as a National Disaster, The Nurses Council of Zimbabwe recognises the importance of the safety of its clients and staff. As a mitigatory measure against the spread of Covid-19 virus Council encourages its clients to utilise the Online Platform for all services to avoid physically coming to the office and reduce the risks associated with travelling and/or handling physical documents.

Application forms for various applications including Verifications can be downloaded from the Nurses Council of Zimbabwe's Website at the following address www.nursesCouncil.co.zw. Documents can be sent through email to ncz@zol.co.zw.

We appreciate your collaboration.

Be Safe, Take Care and Thank you for your understanding.

Yours sincerely

NURSES COUNCIL OF ZIMBABWE
