FROM: THE REGISTRAR – NURSES COUNCIL OF ZIMBABWE

DATE: 7 January 2021

RE: ONLINE ANNUAL RENEWAL OF PRACTISING CERTIFICATES FOR PERIOD 2021 - 2022

Nurses Council of Zimbabwe (NCZ) successfully introduced online renewal of practising certificates for 2020 – 2021 renewal period and most of the nurses embraced this new method of issuing practising certificates. This therefore serves as a reminder that **all** nurses should ensure that they acquire **online** credit points (minimum 12 credit points) for 2021 – 2022 renewal period, before expiry date of the current practising certificate. In view of COVID – 19 national lockdown restrictions and in line with Infection Prevention and Control measures, continuing education record booklets will no longer be used. Therefore, no manual verification of Continuing Professional Development (CPD) points will be done as all processes will be done online for 2021 – 2022 renewal period onwards.
